Yes. No.

Exhibitors with machines on their stands will be placed exclusively in one of the machinery halls.

CATALOGUE ENTRY

The above co-exhibitor's details will be used for the exhibitor's entry on the FRUIT LOGISTICA online platform and in the Exhibition Guide without taking responsibility for the correctness of these data. You can check, update and complete your data on our online platform from 1 November to 21 November 2021. The login details will be sent to you by e-mail. All changes submitted by 21 November 2021 will be included in the Exhibition Guide.

CONDITIONS OF PARTICIPATION & DATA PROTECTION

Please inform your co-exhibitors about the terms of condition of FRUIT LOGISTICA, the general terms of business for trade fairs and exhibitors by Messe Berlin GmbH and the data protection information according to the General Data Protection Regulation (GDPR) for exhibitors and point them to the privacy policy on our website www.messe-berlin.de. If you are authorized, please submit the declaration of consent in the name of coexhibitors as follows: *

I consent to Messe Berlin GmbH sending my contact data, i.e. my name, my telephone number, my email address and the address of the company I have registered in the stand registration to third parties so that they can offer me additional services in their own name such as logistics services, for the preparation and staging of my trade fair participation and to optimise and support my company's trade fair presence. The currently known recipients are Agility Logistics GmbH, Schenker Deutschland GmbH and Fruitnet Media International GmbH. Due to the changing or expanding service offerings, other service providers may be added. I can revoke this consent to use my personal data and email address requested as part of the stand registration at any time with effect for the future. An email message to fruitlogistica@messe-berlin.de shall be sufficient.
